Finding the Right Place

Teachers at some institutes may not be good enough for teaching. And moreover they aren't present 24x7 to solve our problems.

Excessive Travelling

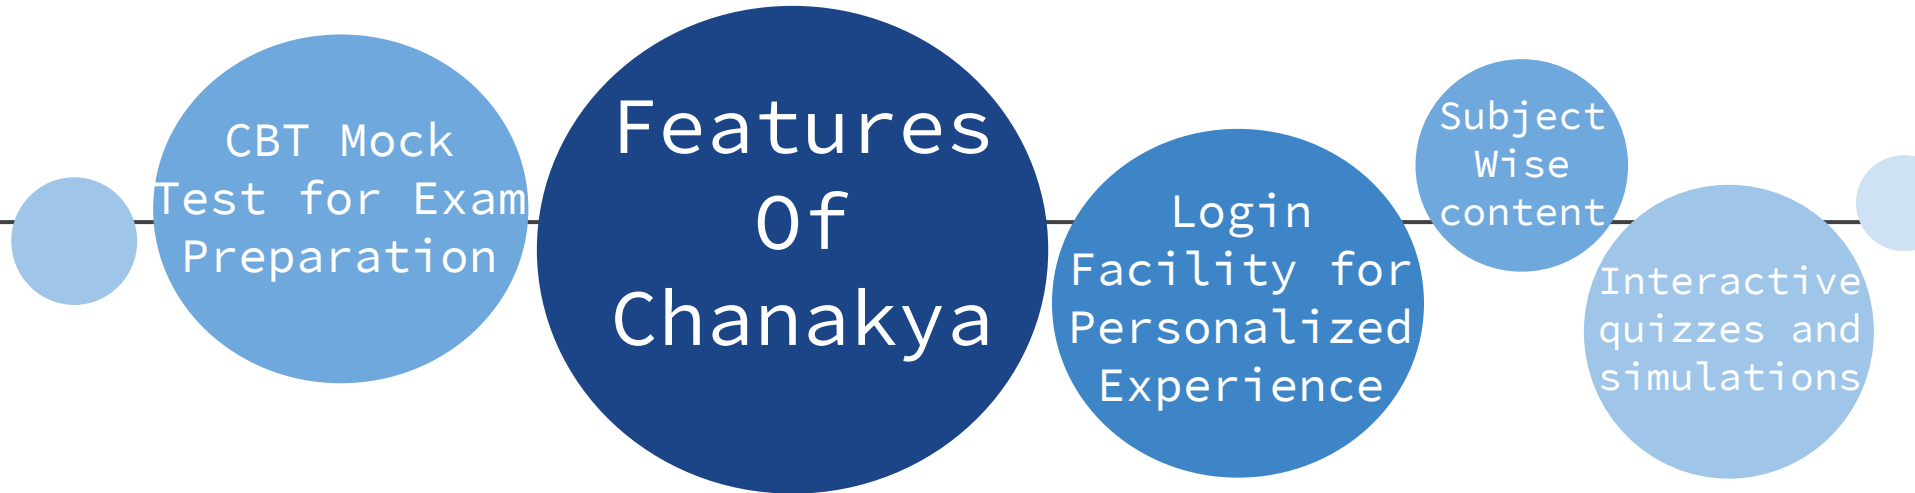

Travelling to the institutes, may take appx 2 hrs per day which makes any learner or aspirant tired and causes dizziness in the classes.

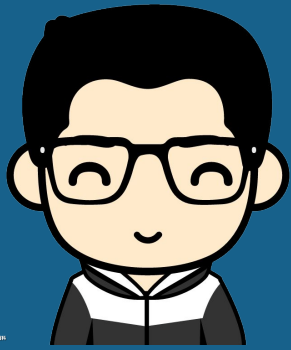

Presenting a Solution : CHANAKYA E-Learning Web/App

About

Chanakya is a web/app which will provide the user with the best video lectures by teachers from institutions round the globe. Also it would contain simulations wherein the student can witness the theory being converted into practical. It contains Mock Tests to keep a track of your learning and prepare the user for the online competitive exams.

Personalized User Experience

Personalized login account for each user with a unique username and password saved in the real-time database.

Web/App will contain an online Mock Test Facility, through which the user can test his knowledge on the selected topic / competitive exam.

It would provide a system having a series of tests which would keep track of all the missed tests and calculate the score.
